

# American Heirlooms

Designed by Winchendon Furniture. Crafted in Pennsylvania's Amish Country.

This Winchendon Furniture exclusive offers Amish-crafted dining room pieces that exemplify simplicity and beauty. The opportunity to create something truly special for any space in your home is almost endless with this collection. Couple a wide array of table edge styles and leg options with your choice of beautiful cherry, oak or tiger maple wood selections to design a dining environment that will last for many years.

With a wide array of sizes that work perfectly in a condo, apartment or gracious home, you can evoke the feeling of a French Country Inn, English Pub, Urban Chic loft or New England Farmhouse by selecting the right pieces and finishes.

With almost endless options to create the dining room, game room or kitchen nook of your dreams, the best way to get started is a visit to one of our showrooms for a personal consultation. Bring your room dimensions and we'll help guide you through selecting just the pieces to fit your needs.
